TRUE
True or False: 1/10 of children born in developing countries are undernourished.
FALSE
Fact: 1/6 of children born in developing countries are born undernourished.
True or False: 60% of hungry people are from farming families.
Fact: 50% of hungry people are from farming families.
According to the United Nations Food and Agriculture Organization (FAO), there is more than enough food to feed every person on the planet.

So, why do hunger issues exist ... ? Any ideas?

POVERTY
DO YOU KNOW …

• What organizations do you know of, local (i.e. Winnipeg, MB) or global, that support people around the world struggling with hunger issues like lack of access to food?

• Ex. Siloam Mission, Winnipeg Harvest, UNICEF, World Vision, etc.
What can YOU do to help?
